# **IDF Policy on Non-Discrimination**

## **IDF POLICY ON NON-DISCRIMINATION**

### **1. Introduction**

The International Darts Federation (IDF) is the world governing body for all disciplines of the sport of Soft Darts and E-Darts, providing a comprehensive range of services to our Member Associations and delivering international soft darts events throughout the world.

The Oxford dictionary defines equality as “the state of being equal, especially in status, rights, or opportunities.” IDF believes that equality is about fair and equitable treatment, recognizing inequalities and taking steps to address them to ensure that people have equal opportunities to participate and practice the sport. The pursuit of equality might involve changing the culture and structure of Soft Darts to ensure that it becomes accessible to all of members of society, and sometimes it might involve treating people differently in order to ensure equality of opportunity.

### **2. Statement of Intent**

- a. International Darts Federation (IDF) is fully committed to the principles and practice of equality of opportunity. It is responsible for ensuring that all people, irrespective of race or ethnic origin, culture, religion or belief, gender, sexual orientation, age, disability, socio-economic status, and physical attributes, have a genuine and equal opportunity to participate in Soft Darts at all levels and in all roles. That is, as a participant, coach, official, volunteer, manager, administrator, employee or spectator.
- b. IDF considers Soft Darts to be a “sport for all.” Soft Darts can and should be made accessible to everyone, to the greatest extent possible.
- c. IDF will endeavor to provide equality of opportunity through all our actions and in the promotion and development of Soft Darts throughout the world.
