

## Commitment to the Joint Sport Pledge

### INTERNATIONAL DART FEDERATION

IDF believes in the power of sport to bring people together, break down barriers, and create a sense of community. We commit to support and welcome individuals who have been forcibly displaced within our *sport for all* activities in Soft Darts, e-darts, para soft darts. Specifically:

- We will actively work to ensure access to our sports activities for refugees in our community, identifying and seeking to reduce barriers to participation.
- We will engage with resources and skills development/training opportunities to ensure our coaches, staff and volunteers are well equipped to support the inclusion of refugees in our activities.
- We will organize and/or participate in community events that promote awareness of the global/local displacement crisis, promote a positive narrative around the inclusion of refugees in our communities and celebrate their contributions, through sports.
- We will create linkages with local refugee support organizations, NGOs, and other relevant entities to amplify the impact of our initiatives and contribute to broader community efforts.
- We will provide brief updates of our activities in support of the pledge to the Sport for Refugees Coalition/Global Refugee Forum team.
